- Working with API's and creating new creative applications

#### **Tecomsa, Beirut - July 2025 to Sep 2025**

**Noc Engineer**

**Advisor: Mahdi Al Haj Hussein**

- Technical Analysis
- Monitoring
- P&L management
- Fast Response
- Problem Solving

Spectra, Beirut - Sep 25 to

Nov 25

Accountant

Advisor: Mira Saad

- . Bills Responsibility
- . Monitoring
- . P & L management
- . Responsible for every cent in the company

## **EDUCATION**

---

### **Computer Science - 2021\ 2024**

Lebanese International University, Beirut

GPA:3.32

## **Certificates & Courses**

---

- **Data Structures and Algorithms**
- **Mobile Development**
- **Database Management Systems**
- **Web Development**

## **PROJECTS**

---

Personal Coding Projects:

**iH-ordle:** An interactive game similar to **Wordle** that challenges players to use all alphabetical letter to make a meaningful word. With five attempts to guess the correct word, it combines strategic thinking and a passion for entertainment in a competitive, fun package.

**rabihihdeeb.com:** Portfolio website for Rabih Deeb, talking about his education, and his experience, where the website has also a feature that you can book an appointment with him. Used html/css/js, with the use of react framework to create an awesome design and smooth animations between sections.

## SKILLS

---

- Problem-solving
- Time management
- Teamwork
- Analyzing skills and Critical Thinking
- Multi-tasking
- Professional typing
- Organizing skills
- Professionalism and strong work ethic

## LANGUAGES

---

**Arabic:** Native Language | **English:** Intermediate Listener, Novice Speaker, Advanced Reading and Writing
